# My Vocabulary Cards

Vocab
abc
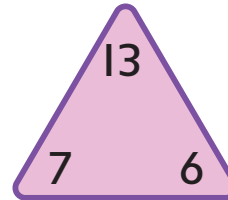

**Lesson 4-1**

## count back

$$6 - 2 = 4$$

**Lesson 4-7**

## fact family

13
7    6

$$6 + 7 = 13$$
$$7 + 6 = 13$$
$$13 - 6 = 7$$
$$13 - 7 = 6$$

**Lesson 4-8**

## missing addend

$$5 + \boxed{\phantom{0}} = 9$$

$$9 - 5 = \boxed{\phantom{0}}$$

Addition and subtraction sentences that use the same numbers.

On a number line, start at the greater number and count back.

You can use subtraction facts to find a missing addend. The missing addend is 4.
